

Here is a sample letter of what a scout can expect to receive upon completion of the program in order to receive their merit badge/badges.

I've studied the BSA protocols for snorkeling and SCUBA and incorporate them into the course (The SDI Program is formally accepted by the BSA of the USA).

To Whom It May Concern:

The below listed scout has completed the SDI program which meets or exceeds the standards of the BSA Snorkeling and SCUBA requirements. As instructor, I certify the scouts completion of the BSA standard.

Scout	Date of Completion	Signature
-------	--------------------	-----------

Thank You,
SDI Instructor Gary Smith
